

ZOWIE GEAR P-TF mouse pad data sheet

The mouse is still the most important input device for any computer user. Many people tend to forget that a quality mouse pad is essential for the mouse to function at its maximum performance. A proper mouse pad will allow the mouse to perform more precise and stable movements with optimum accuracy and tracking. This increases the overall efficiency and productivity for workers and gamers alike.

ZOWIE GEAR P-TF mouse pad made by the legend of Counter Strike – Abdisamad “SpawN” Mohamed who has won 12 world championship titles. The P-TF means there is less friction, higher precision and a surface which is easy to clean. It is medium sized and is 4 mm thick which is very good for long lasting use.

Features:

- SpawN’s Uniquely Textured Material – 100% cloth but fast as plastic
- Liquid-resistant surface allows for easy maintenance
- Anti-fray Edges – Triple-stitched, rolled hem for longevity of pad life preventing wear-n-tear
- Rolled Edges – Provides added comfort while playing
- Perfect, and 100% compatible with all mouse types
- Purposefully designed with non-slip grip rubber base

Specification:

340 x 290 x 4 mm / 13.4 x 11.4 x 0.16 inch
